/David Victor/

David W. Victor

**RESPONSE TO FINAL OFFICE ACTION**

This paper is submitted in response to a final office action in the above case dated April 15, 2010 ("FOA") in which the Examiner rejected all the claims as obvious (35 U.S.C. §103) over cited art. On June 25, 2010, the attorney for Applicants and the Examiner held a phone interview discussing the rejection. The Examiner said that the arguments seemed persuasive and requested Applicants to submit the discussed arguments for reconsideration and to update the search, which Applicants present herein. Applicants submit that all pending claims 31-34 and 40-64 are patentable over the cited art and in condition for allowance for the reasons discussed herein.

A listing of Claims begins on page 2.

Remarks/Arguments begin on page 8.
